**UNCONTESTED MOTION TO EXTEND TIME TO FILE RESPONSE
TO DEFENDANT’S MOTION TO EXCLUDE EVIDENCE**

Comes now the United States of America, by and through Assistant United States Attorney Bryce H. Phillips, and files this motion to extend the time to file its response in this matter. In support, the undersigned states the following:

Counsel for the Defendants filed a Motion to Exclude Evidence and Memorandum in Support on November 15, 2023 (ECF No. 63). Counsel for the United States is currently reviewing the motion and case law related to the issues raised by the Defendants. Based on the recent Thanksgiving holiday, as well as other time constraints related to this and other case matters, the United States is unable to finalize a response to the Defendants’ motion prior to the initial November 29, 2023 deadline. The United States therefore is requesting a fourteen-day extension to file a response.

Counsel for the respective Defendants were consulted regarding the motion for an extension via email. Counsel for the Defendants have no objection to the United States’ motion for an extension.

Accordingly, the United States requests a fourteen-day extension to file a response.

Respectfully submitted,

KEVIN G. RITZ
United States Attorney
Western District of Tennessee
